About Mitsu Chem Plast Limited:

Established in the year 1990, Mitsu Chem Plast Limited (BSE Code 540078) has emerged as the promising player growing by leaps and bounds. The modest beginning years back with a very small working place, limited production capacity, and a very few resources at hand, has transformed at an enormous pace, positioning us as the leading manufacturer of a wide range of products in the blow molding, injection molding and also customized molding (combination of processes) catering to specific customer needs. The company came with its maiden primary offer in August 2016 at a price of Rs. 95 per share is currently quoting around Rs. 173.25 per share. Its shares are listed on BSE SME (as on 28.06.19).

About INDIA SME 100 AWARDS

In line with the strategy of India SME Forum (India's largest Small & Medium Business Movement, formed with the objective to propel a Small and Medium Business Movement across the country), to groom promising SMEs, the India SME 100 ranking acts as a catalyst to identify such SMEs and recognize them for eventually becoming large global-oriented companies. The awards also inspire willing and able SMEs that have the potential to be world-class enterprises. India SME 100 is India's most prestigious annual awards initiative for small and medium enterprises. Selection criteria were based on growth performance, financial strength, innovation, people capital, international outlook and corporate governance.
