## Greetings From Mitsu Chem!

We are Mitsu Chem Plast Limited, started in the year 1990, as a humble beginning in a small facility with limited production capacity in Tarapur, Maharashtra. We have transformed at an enormous pace, and today Mitsu is fulfilling the country's growing demand for a wide range of plastic products by positioning ourselves as the leading manufacturer in blow moulding, injection moulding and also customizing moulding products, catering to specific customer needs.

We are absolutely thrilled to announce that Mitsu Chem Plast is 33 years old.

It has been an incredible journey for us, riding the wave of innovation-led excellence every step of the way. We are immensely proud of what we have achieved and the growth we have experienced over the years.

The unwavering support and cooperation of our partners and associates have also been invaluable throughout this journey.

Thank you for being an integral part of our story. Here's to many more years of success and growth together.
