Sub: Corrigendum to Earnings Release on Results for the quarter and year ended March 31, 2026

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company had filed the Earnings Release on Results for the quarter and year ended March 31, 2026 on May 02, 2026 with BSE Limited. We hereby bring to your kind attention that due to a typographical error it has been erroneously mentioned as “Crores” in Particulars column instead of “Lakhs”.

In this regard, the Company wishes to file this corrigendum to the Earnings Release filed for the quarter and year ended March 31, 2026. It may please be noted that the amounts mentioned in the Earnings Release have to be read in “Lakhs”.

Please note that, except for the correction in the terminology of the figures i.e. particulars in “Lakhs” all other text, figures, and content of the Earnings Release remain unchanged and we are hereby submitting the updated Earnings release after making the necessary changes as stated above.

The corrigendum, dated May 03, 2026, is also being made available on the website of the Company www.mitsuchem.com

Kindly take the same on record.

Thanking you.

Yours truly,

FOR MITSU CHEM PLAST LIMITED

Commenting on the performance, Mr. Jagdish Dedhia, Chairman of Mitsu Chem Plast Limited said, "Q4 FY26 has been a satisfying close to what has been a year of steady and purposeful progress for Mitsu Chem Plast. We delivered meaningful improvement in profitability during the quarter, driven by disciplined execution, better operating efficiencies, and a continued focus on higher value-added products. Our Furnastra healthcare furniture vertical continues to scale well, and our export business remains on a strong growth trajectory spanning more than 17 countries. We are also excited about our strategic entry into the Intermediate Bulk Container vertical, which we believe is a natural and well-timed extension of our packaging capabilities and will open a significant new avenue for growth. As we step into FY27, we remain committed to disciplined capital deployment, operational excellence, and delivering sustainable long-term value for all our stakeholders."

Q4 FY26 Key Operational Highlights

<p>Capacity Expansion & Global Business Strengthening</p>	<ul style="list-style-type: none"> A planned addition of ~900 MT per annum, taking total installed capacity to ~29,900+ MT per annum, with commencement of operations at the new Boisar facility (Unit 4) in January 2026.
--	---

	<ul style="list-style-type: none"> • Entered into a Global Supplier Agreement with Arjohuntleigh Polska (Poland), marking onboarding as a global supplier to a leading medical equipment group. • Strengthens presence in the healthcare vertical, expands export opportunities, and enhances global brand visibility while supporting long-term growth.
